

DISTRICT 1 CORRIDOR ISSUES AND CHALLENGES

Brad Mettam, Deputy District Director, Planning and Local Assistance

HIGHWAY VS COMMUNITY

Planning & Operational Concerns are different

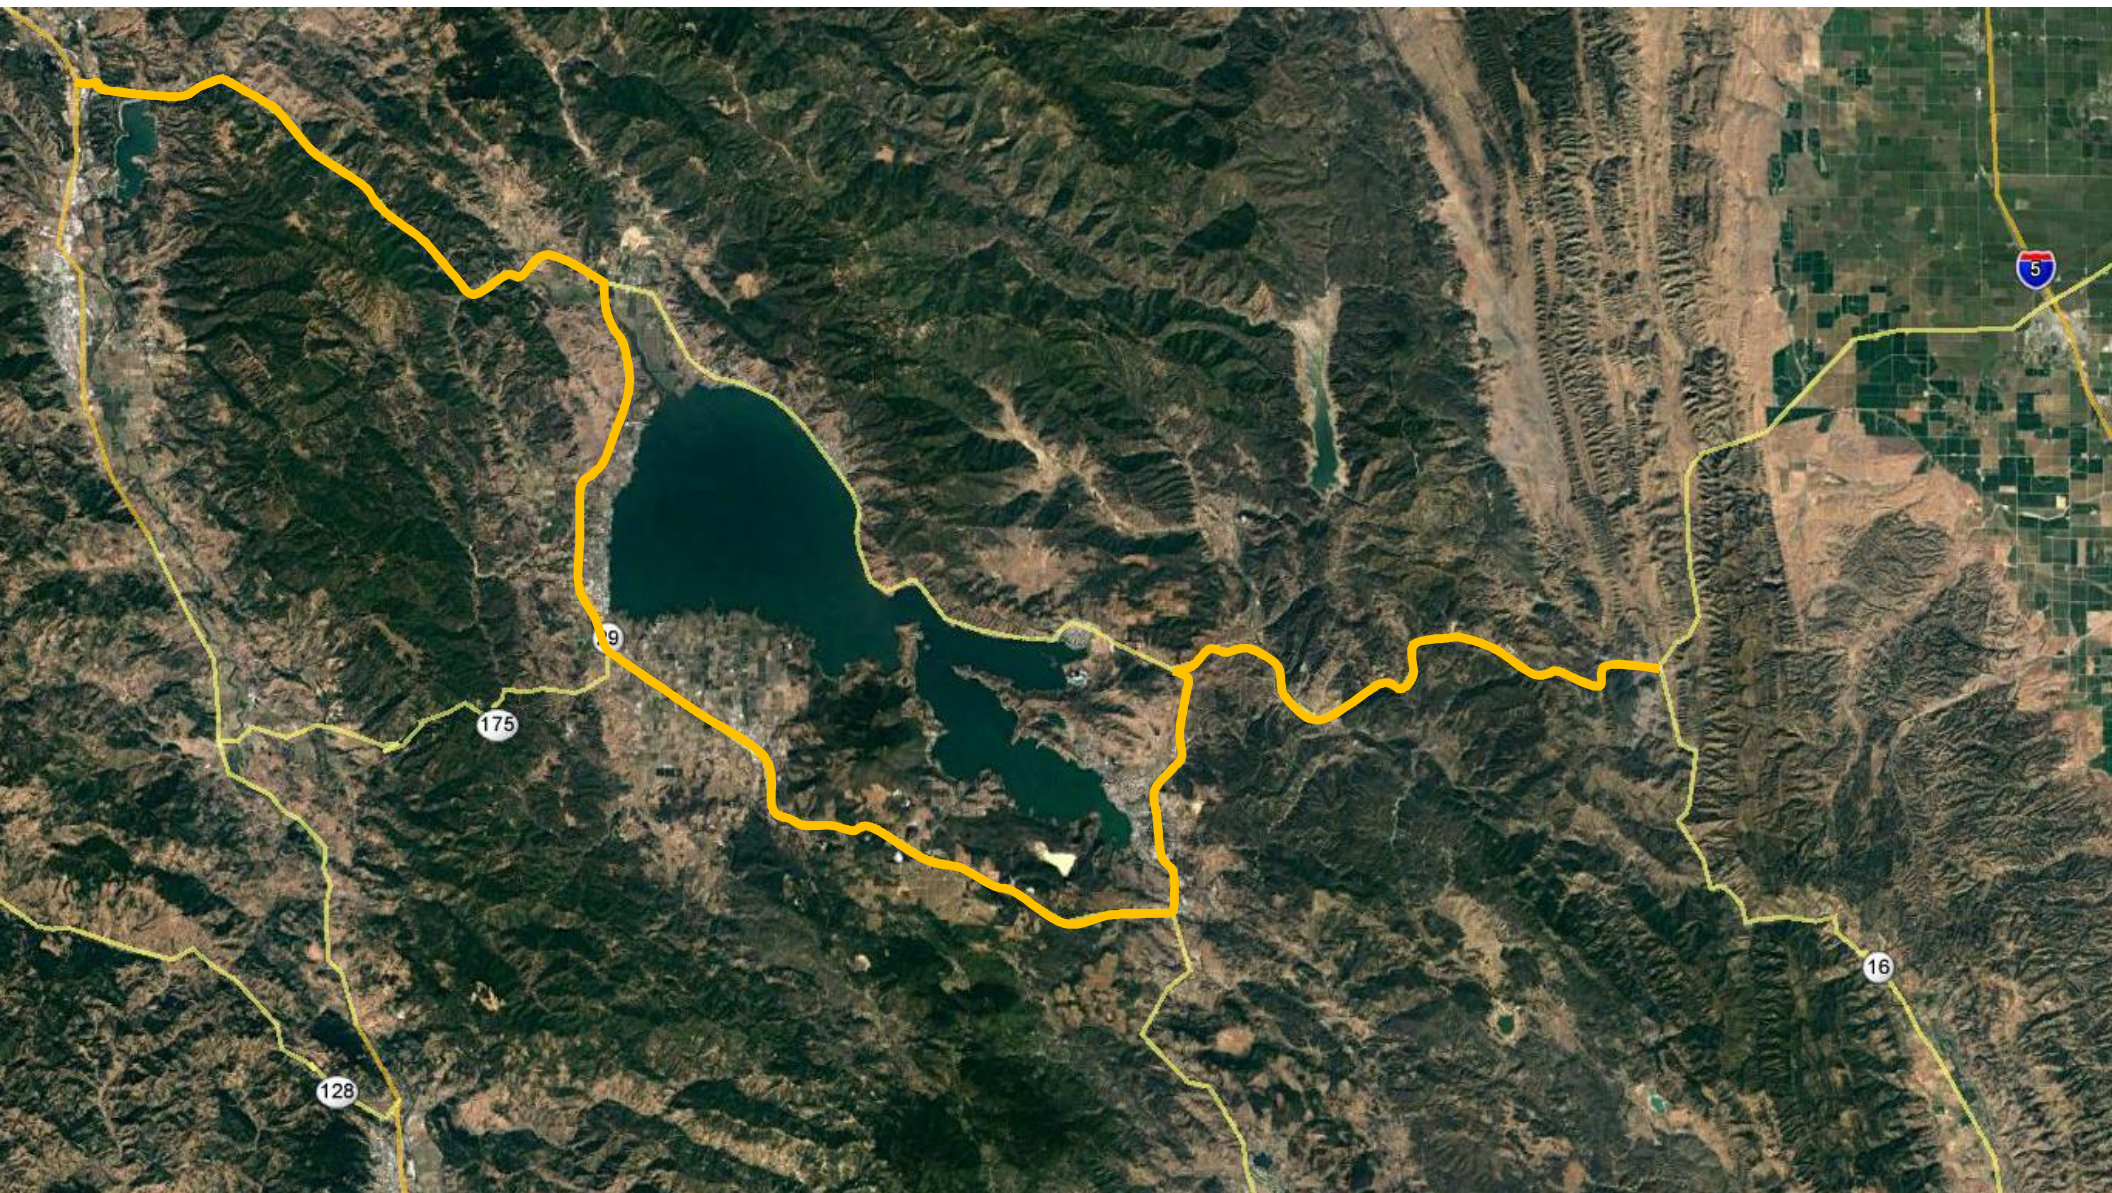

Highway

- Maintain through access
- Operational improvements
- Improve to Ultimate Concept

Main Street

- Congestion
- Walkability – Complete Streets
- Economy

Ultimate Concept – What does that mean?

ULTIMATE CONCEPT

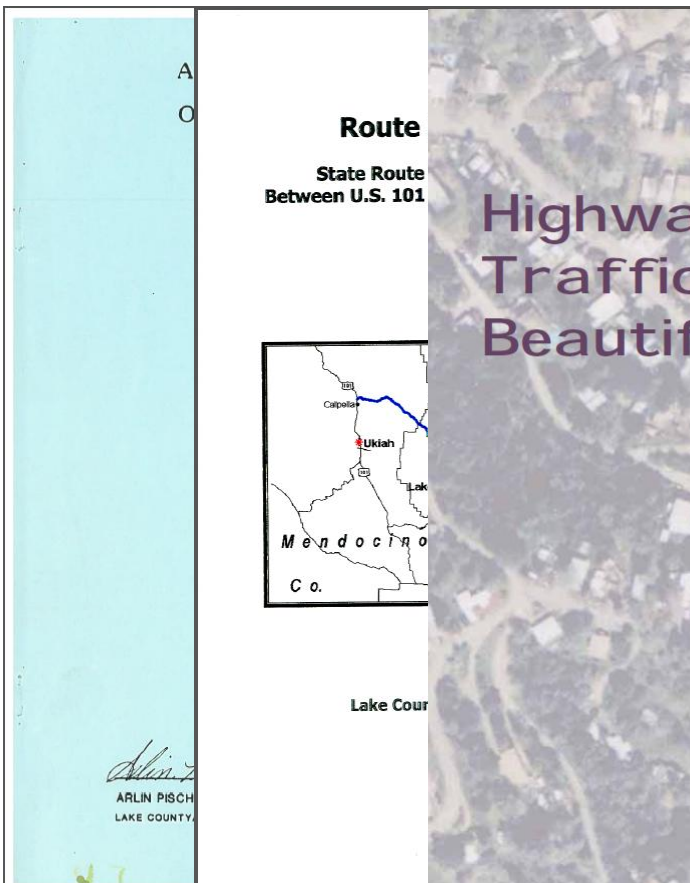

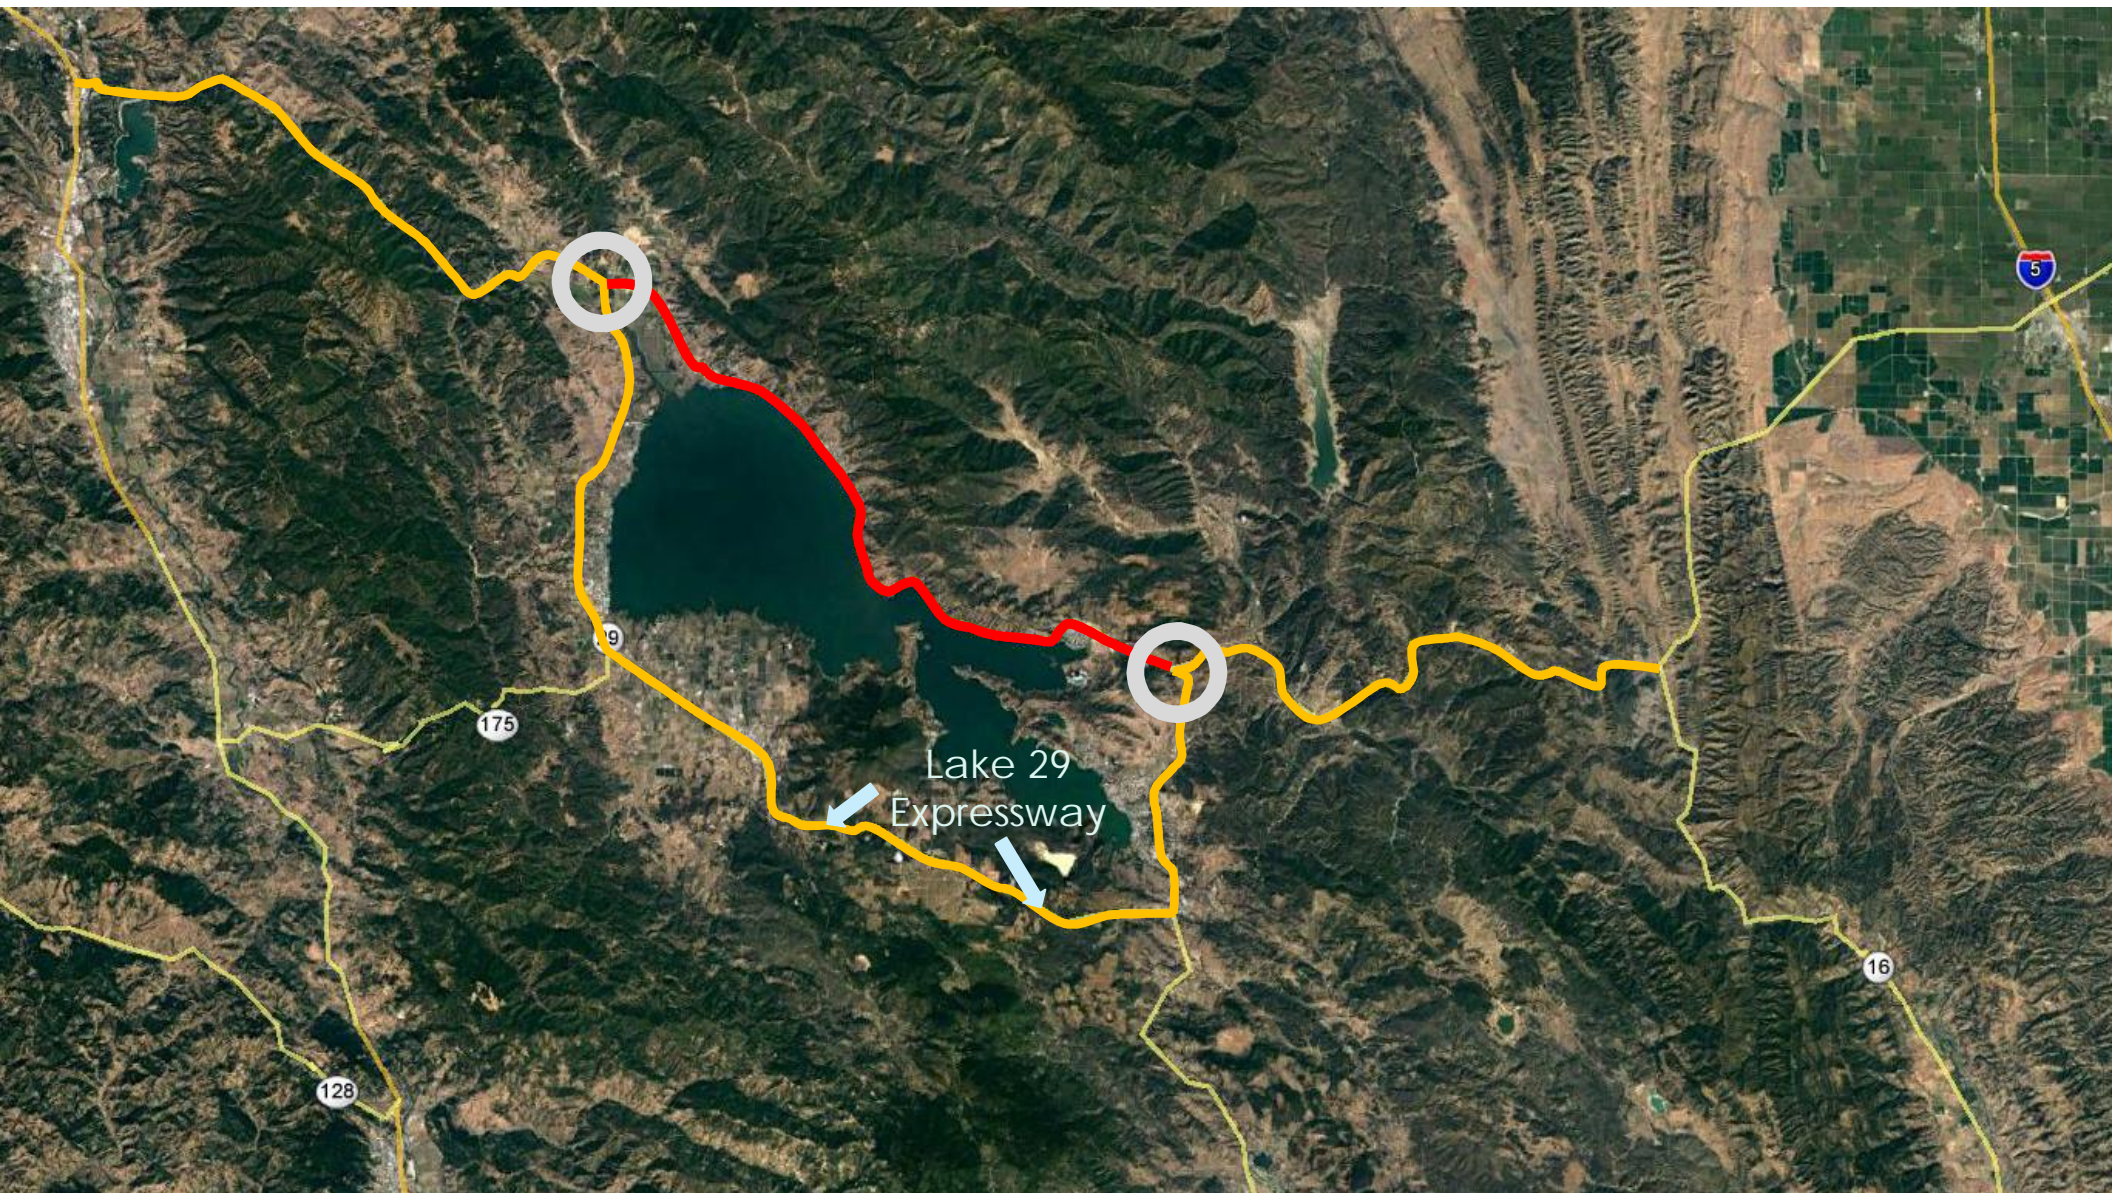

Figure 54: North Coast - Northern Nevada Corridor Concept

Lake 29
Expressway

HIGHWAY CORRIDOR CHALLENGES

- STAA access:
 - SR197/199
 - SR299
 - Richardson Grove
 - Last Chance Grade
 - Weather-related closures
 - Incident-related closures
 - Climate Change Adaptation
 - Garcia River approach closures
- Problem Solved!

MAIN STREET CHALLENGES

- Pedestrian crossings
- “Congestion”
- Non-Motorized Facilities
- Network Utilization (“ours” vs “theirs”)
- Maintenance
- Flexibility vs Standards
